This is a rare chance to purchase a virtually new Cape Cutter 19 at a significant discount to a new boat.

The Boat cost new £27,250.00 when V.A.T. was 15%., and before the price increase of £1,000.

The Boat is at Honor Marine and is available for viewing; Please ring first to confirm boat has not been sold.

We have inspected the boat.

The hull has been polished, the trailer has been serviced, and the boat and trailer have had very little use and has only been used for approximately 10 weeks and are like new.

It is very difficult to distinguish this from a new boat.

This will not be around for long, view sooner than later.
